Education

University Of British Columbia	2019 – Present
Bachelor Of Science – Computer Science	Kelowna, BC

Northern Lights College	2015 – 2016
Aircraft Maintenance Engineering	Dawson Creek, BC

Related Experience

Plume Design Inc — 2023
Network Traffic Analyst — Remote
> Configured OpenWRT router with Open VPN and tcpdump
> Used custom commandline tools and wireshark to analyze packets
> Wrote "signatures" in custom programming language to uniquely identify network traffic
> Automated various processes with python scripts

Ocean Networks Canada — 2022
Junior Software Developer — Victoria, BC
> Created and maintained UI tests with Selenium
> Designed and built new front-end and back-end features using React and Java
> Performed code review on pull requests for other developers
> Gained experience with Git, Jira, agile SDLC, Java, Selenium, Junit, Mockito, Eclipse, VSCode, ReactJs, Javascript

Projects

Parrot Discord Bot — 2022
> Created a discord bot that uses Ai to say whatever the user wants, in whatever voice they want.
> Built a Django web site with discord and stripe integrations to monetize the bot.
> Implemented with python, mysql, django, OpenAi, ElevenLabs and stripe apis.

TA Scheduler Web App — 2023
> Maintained and improved upon a Web-App designed to optimally schedule Teaching assistants to positions
> Implemented with Laraval, Jquery, Bootstrap and MySQL

Office Hours Web App — 2023
> A web app designed to manage queues of students that need help from their professor.
> Completed front-end redesigns of multiple pages
> Added new features to give admins, and professors more control
> Expanded the app so that it can be used by many institutions
> Implemented using Nest.js, Next.js, React, Typescript

Ai content Generation Web App — 2023
> Led a small team to create an app that takes text input and generates a power-point presentation.
> Delegated tasks and set project priorities.
> Wrote code to use OpenAi API to generate the presentations
> Implemented using Django, Bootsrap, jQuery, postrgress, docker
